I will work together with the newly elected team and promote Miarb to the public so that more people are aware of the importance of arbitration since the pandemic of Covid-19 has caused a havoc among the industries players and people needs to know how arbitration can help them.

i will also work together with the team to re-introduce arbitration and educate the public to change their misconception of arbitration being "slow" and/or "costly".

I will also help to organise more events which would promote the networking among the members of Miarb.
